2018-2019 SPONSORSHIP OPPORTUNITIES

At NCPC, we think of our sponsors quite affectionately. We're all part of the same team, working to create a uniquely memorable experience for every presenter, artist, agency, and business that joins our organization or attends our events. And this team is what makes NCPC one of the strongest presenter networks in the U.S.

We invite you to join our team to support NCPC's valuable programs and events with an annual sponsorship. Sponsorship commitments begin at only \$500, and provide benefits throughout the entire year (July 1st-June 30th). In-kind donations are accepted, and all contributions are tax-deductible above market value.
